II. DETAILED INFORMATION

II.A. Scholarship Information

“To lead is to serve.” A great leader is someone who leads by serving their community.

Dr. Alan Cheung is a lifetime community leader, advocate and volunteer. He was the first Asian American elected to the Montgomery County Board of Education, where he served two four-year terms. He was a strong advocate for all students and emphasized individualized learning, additional science and technology in schools, and smaller class sizes. Dr. Cheung made significant contributions to education in Montgomery County and has been instrumental in bringing the Asian American community into the county’s political and civic mainstream. He is an inspirational role model for young students to make greater contributions to the larger community.

The Dr. Alan Cheung Community Leadership Scholarship encourages, fosters, and recognizes the contribution of dedicated youth individuals and youth groups to community services.

The scholarship was first offered in 2018. In 2021, nine applicants were awarded the individual scholarship, and three were awarded the group scholarship. This year, we expect to offer 10 individual scholarship awards and 3 group scholarship awards.
